

9-26-12

WOW! Across the 1-2s we have discovered that you can make many different creatures using just a few characteristics! Today, continue working towards a solution to this question:

How many different creatures can you make using these features?

Our characteristic keys have helped us use new, efficient ways to record our creatures. ***Is there a way to organize your different creatures? How can you keep track of all the unique creatures you made? Are you noticing any patterns?*** Record your findings using numbers, pictures and sentences.
