After so much thought and documentation of your ideas for Math Vitamin in the last two weeks, you have probably worked up quite an appetite. Well... we have great news! This afternoon, as part of a Critter-i-gation you get to buy and EAT a TASTY TRAIL MIX TREAT! But first, in order to purchase your trail mix, you will need to create a shopping list. You have \$15.00 to purchase ingredients. Using the prices below, decide what you would like to buy. Begin with a summary statement about this task. As you work, remember to add labels and carefully document your ideas so you don't go over your budget of \$15.00.
