

Good Morning!

Tomorrow we are going on a field trip
to Lincoln Park!

There are 114 people total on the first floor that will be going, and everyone needs a spot in a vehicle. Create a transportation plan for our trip.

What combination of vehicles would you need?
How many extra seats would you have left?

Car can hold 5

Van can hold 12

Mini Bus can hold 27

Bus can hold 53
