

Good Morning!

Long Beak ≧

**Joseph and John James Audubon have drawn some pictures of birds, but they need to organize them. Let's help them by using a Venn Diagram. Grab a sheet, cut out a bird and see where in the diagram they belong.**

Big Eyes ○

Short Legs ㄥ

Here are the three characteristics we're using to organize:

Short legs ㄥ

Long beak ≧

Big Eyes ○

Let's do a practice one! Where might this bird go?
