

"James, look at that all my friends are coming to my leaf banquet!"

Good Morning!

Wow! All of Mr. Green Grasshopper's friends are hopping in to be at his special fall leaf dinner banquet. Mr. Green Grasshopper loves to munch on dry crisp orange leaves. He has been saving a special pile to share with his friends.

Mr. Grasshopper is very generous and likes to give each of his friends equal amounts. Grab a Math Vitamin sheet to help him to figure out how much to share with each of his friends.
