

Good Morning!

Today is Tuesday, April 17, 2012

Welcome back! We hope you had a great vacation.

Prisms begin by writing about your vacation adventures. Grab a Vacation Views sheet to get started.

Kaleidoscopes begin exploring Geo Boards! Can you use the rubber bands to divide your board into $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$? What other fractions can you make?
